**❖ Modalipi Training Classes**

Many households have been despatched with ancestral Tamrapat, paper, waiting for readers. We had started this course as a part of our aim to make efforts to make this bright history available to the common people and to promote the modalipi. Students were taught this course through useful guidance for learning about the greatness of my mother tongue, learning the historic importance of its mother and how to use it in the 21st Century.

**❖ Guest Lecture**

A lecturer and lecturer for a speech made on a subject is called a lecturer. Lectures are run in many colleges in Maharashtra. Knowledge is light. We get the knowledge from this lecture. The knowledge obtained from lecture does not get published in the book. Every lecture has something new to learn. As a result, various lecture lectures are organized every year in the history department, with the aim of informing them about the overall development of the students, their knowledge should be developed, to develop their personality, and to know about various subjects.

**❖ Plastic Free - Pemagiri Fort**

Students are the main components of this transformation. Therefore, on August 25, 2018, a campaign titled "Plastics-free Pemagiri Gad" was organized with the spirit of environmental protection, environmental protection and conservation among the students under history Department. Cleanliness was done in the fort. Plastic bottles and uneven waste was collected in this campaign.
