Short report of the activity-

8

The guest of the Programm Prof.Rahul Deshmukh delivered the lecture on IPR. In this lecture he guided to the students on the topic of Intellectual Property Rights (IPR), elaborated the students on various factors such as patent is recognition for an invention that satisfies the criteria of global innovation, and industrial application. IPR is essential for better identification, planning, commercialization, rendering, and thus the preservation of inventions or creativity. He said that students should read and study the concept of IPR carefully because role of students in the development is very important.
