Report On Group Discussion

On 04 March, 2023 group Discussion was conducted on the topic "Recent Trend in IT", 'Artificial Intelligence', 'E-Learning'. At the beginning of the session everybody seemed hesitant in expressing their opinion but soon the discussion picked up the pace and the purpose of discussion, which was to encourage students to speak up and boost their confidence, was fulfilled.

The Discussion was between two Groups, first group chose to highlight the positive things Recent Trend in IT, second group comprised of students who perceived negative impact of IT.

Lastly we tried to draw attention of the student to summaries and conclude the GD highlighting all the important points discussed by all groups.
