6	Topic Covered	A real understanding of reading and writing problems of school students through survey.
7	Outcomes	<ul style="list-style-type: none"> <li>* Students understood how to actually read.</li> <li>* Reading brings with it knowledge and intelligence.</li> <li>* Reading and writing is an art and can be achieved with effort.</li> </ul>
8	Acknowledgement	After knowing the problems in reading and writing of school students, the therapeutic method was adopted.
9	<b>Shot report of the activity:-</b> Day by day the level of reading and writing among school students is decreasing. Due to social media and the changing social environment around, students are being pushed away from reading and writing. The initiative was taken to bring such students back into the mainstream.
